AMENDMENT AFTER YOUR ADVISORY ACTION dated 12/30/2005

Dear Sir,

I am sending this amendment request : please cancel my claims No. 1 to 10. (In my letter on Dec. 10, I stated by mistake that I was "withdrawing" claims 1 to 10 when I meant "canceling" them, an error of translation.).

You asked us during our phone call to you last Friday, to clarify what I wanted to do with claim No. 13. I have decided to cancel it.

I want to replace the 10 cancelled claims with the claims 11 to 21 (except No. 13 cancelled). I already proposed those in my letter on Dec. 10, as you suggested. The list of the new claims 11 to 21 (excepting 13) is appended to this fax communication.

Please find enclosed a credit-card form to pay the required fee of \$225 for the 2 month delay (since the expiration of the 3 month period starting with the date of your office's Final Action).

Thanks for your helpful explanations about Patent Office formalities, and for your patient clarifications when my translator talked with you on the telephone Friday (Jan. 27).

My e-mail address is : mtext@club.fr

Sincerely yours,

Vincent Sebileau
